

## Siming Tire Supply Inc. Warranty Service

### WARRANTY SERVICE BENEFACTOR:

The Siming Tire Supply Inc. Warranty Guarantee is only applicable to the installer. This warranty ensures that the purchaser is entitled to the coverage detailed below. In some instances, this warranty may be provided free of charge at the time of purchasing the items that would be supported by this warranty.

### COVERAGE DETAILS AND DURATION:

Siming Tire Supply will honor the warranty of our TPMS products for a 3 year time period, so long as the cause for malfunction is due to manufacturer defect. Should a product be deemed unfit for service due to manufacturer defect during the 3 year warranty period, it will be replaced free of charge to the original owner.

### WHAT IS NOT SUPPORTED BY THIS WARRANTY?

Siming Tire Supply is not responsible to honor an item's warranty if the reason for the product's lack of functionality stems from: improper use, physical damage, incorrect installation, unauthorized modification/alteration, damage caused by fire, flood, or other casualty, including, without limitation, acts of God or exposure to corrosive or abrasive materials/pollutants, or due to vehicular collision in which the installed product sustained damage.
